Minimum Orders

- \$100 minimum order

Shipping

- Free shipping on orders over \$300 before tax (brands may be combined for this).
- Shipping cost for orders under \$300 is \$10.00.
- All orders are shipped by Canada Post Expedited (approx. 1-2 days ON & QB; 3-7 days for other provinces)
- All orders will normally be shipped out within 24 hours (normal business days only).
- All orders are insured and trackable; you will provide a tracking number by email for each order.
- We do not compile backorders, so you'll need to reorder the items on your next order; we try to always have everything in stock so this shouldn't happen often.

Terms

- First three orders must be prepaid on credit card (Visa or Mastercard).
- Subsequent orders may be on credit card or orders under \$1000 may be paid by cheque on terms of Net 30.
- No returns on products; all damaged or missing items must be reported within 48 hours of arrival to you.
- As a Bliss Distributing retailer, you must have a valid retail business in Canada and must be buying our products to resell to Canadian customers; any retailer found to be breaching this will no longer be allowed to purchase from us. Products are not allowed to be sold to any other resellers under any circumstances.
- Overdue accounts are charged interest calculated at 2% per month and future orders will be put on prepaid status (credit card). After 30 days overdue accounts are subject to collection; the retailer agrees to absorb any and all costs associated with this collection.
- All returned/NSF cheques will be subject to a \$35 service charge.
